Situational Awareness

- Wayne County confirms that 68 new Livonia residents have tested positive for COVID-19. In the last week, 405 Livonia residents have tested positive.
- The State of Michigan reported 8,689 new individuals have tested positive for COVID-19 in results reported to the state in the last 24 hours. Over 14% of test results reported to the State in today’s data were positive. The State also announced 81 new deaths related to COVID-19.
- For the first time, a majority of Americans report they personally know someone who has been hospitalized or died from COVID-19, according to a Pew Research survey.
- Over the last week, COVID-19 has been the number one cause of death nationwide. Across the entire year, COVID-19 is the third leading cause of death in the United States following heart disease and cancer.
- In the greater Detroit region, 87% of adult intensive care unit beds are currently occupied. Statewide, 4,113 individuals are currently hospitalized with confirmed or suspected COVID-19.
- The Centers for Disease Control and Prevention are for the first time urging universal “indoor mask use” whenever an individual is not at home. The CDC also again recommended against holiday. CDC Director Dr. Robert Redfield predicts the next three months will be the “most difficult time in the public health history of this nation.”

Actions Taken

- The City of Livonia has updated its list of COVID-19 testing facilities in our area. Visit the City’s COVID-19 page for more information. The average turnaround time for a test statewide is currently three days, but there are faster options available in our area.
- Livonia yard waste collection ends the week of Dec. 7 through Dec. 11. Yard waste collection in your area ends on your regular trash collection day next week. See the City’s website for more information.
- City of Livonia departments update their continuity of operation plans to reflect new guidance from the CDC and State of Michigan.
- The City of Livonia updates its “What’s Open in Livonia” guidance as the City complies with Michigan Department of Health and Human Services orders. Residents and guests will need to make an appointment before visiting City Hall. The use of the red box and online services are encouraged as alternatives to visiting City Hall.
