Situational Awareness

- Wayne County confirms that 34 new Livonia residents have tested positive for COVID-19. In the last week, 322 Livonia residents have tested positive.
- The State of Michigan reports 4,905 new individuals have tested positive for COVID-19 in results reported to the state in the last 24 hours. The State also announced 75 new deaths related to COVID-19.
- According to data from the State of Michigan, 86% of beds at St. Mary Mercy Hospital are occupied. The hospital is currently treating 76 patients for COVID-19. Statewide, 77% of hospital beds are occupied, and approximately 3,900 patients are being treated for COVID-19.
- Over the course of the pandemic, more than 10,000 Michigan residents have died from COVID-19. Approximately one of every 22 Michigan residents has tested positive for COVID-19 since March.
- While the rate of new COVID-19 cases in Michigan has decreased for a second straight week, the positivity rate of new COVID-19 cases remains around 14% on average in recent weeks.
- Of the more than 46,000 COVID-19 case investigations launched by contact tracers in Michigan last week, approximately 25% are resolved. Of those resolved cases, 43% have a known source of transmission. The City of Livonia encourages residents to download the MI Covid Alert application. This is a free app for your mobile phone that helps individuals notify each other about if an individual we may have been in contact with tests positive for COVID-19.

Actions Taken

- The Livonia COVID-19 dashboard on the City’s website is updated daily. Visit it for information on county and countrywide data in addition to new reports of COVID-19 cases in Livonia from Wayne County.
- Livonia yard waste collection ends the week of Dec. 7 through Dec. 11. Yard waste collection in your area ends on your regular trash collection day this week. See the City’s website for more information.
- The City of Livonia has updated its list of COVID-19 testing facilities in our area. Visit the City’s COVID-19 page for more information. The average turnaround time for a test statewide is currently three days, but there are faster options available in our area.
- The City of Livonia updates its “What’s Open in Livonia” guidance as the City complies with Michigan Department of Health and Human Services orders. Residents and guests will need to make an appointment before visiting City Hall. The use of the red box and online services are encouraged as alternatives to visiting City Hall.
