Situational Awareness

- Wayne County confirms that 22 new Livonia residents have tested positive for COVID-19. Between Dec. 24-27, 65 Livonia residents tested positive.
- The State of Michigan reports 3,239 new individuals have tested positive for COVID-19 in results reported to the state in the last 48 hours. Another 60 deaths related to COVID-19 were reported in the last two days.
- Statewide, nearly 59,000 doses of COVID-19 vaccine have been administered as of December 28. In Michigan, 194 doses of Moderna’s vaccine have been administered. First responders and frontline health care workers are among those being vaccinated first. Across Michigan, 485 sites are enrolled with the State health department as COVID-19 vaccine distribution points.
- The current seven-day average of new COVID-19 cases in Michigan is at its lowest point in two months. Michigan’s per capita average of new cases is the sixth-lowest of any state.
- St. Mary Mercy hospital is currently treating 27 patients with COVID-19, including 3 in intensive care. Approximately 81% of beds at the hospital are currently occupied.
- The final day to apply for Michigan’s Futures for Frontliners program is December 31. This scholarship program is for Michiganders without college degrees who worked as essential, frontline workers during the pandemic. It provides tuition-free access to local community colleges to pursue an associate’s degree or skills certificate.

Actions Taken

- The Livonia Fire Department has vaccinated 90% of its first responders with Pfizer’s COVID-19 vaccine.
- The Livonia Emergency Preparedness Department surveys City leadership team on employees currently quarantined as a result of positive tests or confirmed close contacts.
- Livonia Parks & Recreation announces it is moving Winter 1 fitness and leisure programming from its original start date of Jan. 3 to Jan. 18 in compliance with current Michigan Department of Health and Human Services guidance.
- The City of Livonia updates its “What’s Open in Livonia” guidance as the City complies with Michigan Department of Health and Human Services orders. Residents and guests will need to make an appointment before visiting City Hall. The use of the red box and online services are encouraged as alternatives to visiting City Hall.
