Situational Awareness

- The City of Livonia announces another 2,500 COVID-19 vaccine appointments this week through the Vaccinate Livonia program. Only Livonia residents age 65 or older are eligible to be vaccinated at this time. Appointments for Wednesday, Thursday and Friday remain available. Visit VaccinateLivonia.org for more information, including responses to frequently asked questions.
- Please note: Those with appointments are asked to arrive promptly at the time of their appointment with photo identification showing a Livonia address. There is no cost to receive the vaccine, and no health insurance information will be requested on site.
- Vaccinate Livonia asks residents who have received the COVID-19 vaccine through the program to plan to return to the Senior Center for their second dose three weeks after their first shot, keeping the same appointment time.
- Wayne County confirms that six new Livonia residents have tested positive for COVID-19 in the last 24 hours. One additional death among Livonia residents was reported.
- The State of Michigan reports 1,569 new individuals have tested positive for COVID-19 in results reported to the state in the last 48 hours.
- Michigan will receive nearly 500,000 COVID-19 vaccines this week, the largest distribution of vaccines to the State so far. The shipment may include more than 80,000 doses of the newly approved Johnson & Johnson one-shot vaccine.
- Nearly 2.3 million COVID-19 vaccine doses have been administered in Michigan, with over 800,000 individuals having received both doses of the Moderna or Pfizer vaccine.
- St. Mary Mercy Hospital is currently treating 15 individuals, including four in intensive care, for COVID-19. Approximately 80% of beds at the hospital are occupied.

Actions Taken

- Nearly 1500 COVID-19 vaccine appointments for this week were scheduled today through the Vaccinate Livonia hotline and website. At the peak of new registrations today, about 10 appointments were scheduled every 60 seconds.
- Livonia Fire & Rescue has administered more than 2,700 COVID-19 doses through the Vaccinate Livonia program at the Civic Park Senior Center.
