Situational Awareness

- All Livonia residents are encouraged to register for a CivicRec account to receive e-mail updates regarding the status of the Vaccinate Livonia program and other avenues for signing up for vaccine appointments in our area. Visit VaccinateLivonia.org for more information, including responses to frequently asked questions.
- Vaccinate Livonia asks residents who have received the COVID-19 vaccine through the program to plan to return to the Senior Center for their second dose three weeks after their first shot, keeping the same appointment time.
- Please note: Those with appointments are asked to arrive promptly at the time of their appointment with photo identification showing a Livonia address. There is no cost to receive the vaccine, and no health insurance information will be requested on site.
- Wayne County confirms that 11 new Livonia residents have tested positive for COVID-19 in the last 24 hours.
- The State of Michigan reports 1,486 new individuals have tested positive for COVID-19 in results reported to the state in the last 24 hours.
- More than 2.5 million COVID-19 vaccine doses have been administered in Michigan. Nationwide, more than 54 million Americans have received at least one dose of the vaccine. Over the last week, an average of 2 million Americans are being vaccinated each day.
- Michigan will receive 222,000 first doses of COVID-19 vaccines next week.
- The Michigan Department of Health and Human Services is using guidance from the CDC for determining which underlying conditions make an individual over 50 years old eligible to receive the COVID-19 vaccine starting next week.
- The Centers for Disease Control and Prevention are expected to soon release new guidance for Americans who have received the vaccine regarding what activities they may be able to safely resume.

Actions Taken

- Livonia Fire & Rescue again administers more than 600 doses of Pfizer COVID-19 vaccines through the Vaccinate Livonia program. Over 5,000 COVID-19 doses have been administered through the Vaccinate Livonia Program at the Civic Park Senior Center.
- After this week, the Vaccinate Livonia program is committed to providing second doses of the Pfizer vaccine to those who have previously received their first dose through the program. This includes visits to city-owned senior living facilities to deliver second doses to residents. No new first dose appointments will be available through the City of Livonia during this time.
