

## 2021 Livonia Chamber of Commerce Scholarship Program

The Livonia Chamber of Commerce plans to award several scholarships to seniors graduating this spring from Livonia's four high schools and pursuing postsecondary studies at a school that is a member of the Livonia Chamber of Commerce. A series of \$1,000 scholarships will be awarded to students planning to continue their education towards all career paths at a two-year or four-year college.

Eligible high school seniors must graduate in 2021 from Livonia Franklin, Churchill, Stevenson, or Clarenceville High School. Winners will be notified in spring 2021.

This is an annual scholarship program authorized by the Livonia Chamber of Commerce Board of Directors funded by donations and proceeds from Chamber programming. Favorable consideration is given to qualified applicants who are planning to attend an institution that is a member of the Livonia Chamber of Commerce member. *(Those schools are: Schoolcraft College, Madonna University, Eastern Michigan University, Lawrence Technological University, Baker College, Walsh College and Wayne State University.)* The award will be sent directly to the school of the scholarship recipient's choice upon complete student enrollment in that institution.

Applicants must complete attached application and write a 500-word essay for consideration of the scholarship. No interviews are planned. The Livonia Chamber of Commerce's Scholarship Committee will review applications and essays as part of the selection process.

Scholarship winners must utilize the award during the 2021-22 school year. Failure to use the scholarship in a timely fashion will result in forfeiture of the award. These scholarships are open to full-time and part-time students. Financial need will not be factors in the selection process.
